

***PLEDGE TO PRAY, STUDY, AND ACT
To end oppression of Palestinian people and
Occupation of their land***

In response to the ongoing cycle of violence that undermines negotiations and hope for an enduring peace in Palestine and Israel, and in support of the Overture passed at the 220th General Assembly (PCUSA) (2012)
I endorse the boycott of products made in the illegal Israeli settlements in the Occupied Palestinian Territories.

As a person committed to nonviolent resolution of deep-seated conflicts, I join a growing number of international and religious partners, including Jewish, Muslim, and Christian voices, who believe that economic sanctions can inspire a more useful dialog and negotiation towards a just and lasting peace in the Middle East. Respect for the dignity of every human being, alongside a vision to put aside the violence of terrorism, oppression, and military force is key to moving negotiations forward for a lasting peace for all involved.

We are all the children of Abraham, let us no longer profit at the expense of the safety and security of one another. Instead let us end the violent cycle and build a circle of peace.
